Highlights

Backlit LCD screen
Provides clear, crisp system information at a glance

2-way RF operation
Allows 2-way communication between the docked iPod and the remote control. Conveniently works through walls and floors.

6 device design
Enjoy remote access to your iPod, TV, VCR, DVD player, cable and satellite systems.

Wizard set-up
Guides you on-screen step by step through the set-up process.

Docking cradle
Holds the iPod and allows it to charge and play simultaneously

Audio out
A single 3.5 mm cable allows you to connect to a home stereo or powered speakers so you can share your music out loud.

S-Video out
A single S-video cable allows you to connect to a TV so you can share your video libraries on a bigger screen.
